

Dear FCRA Member--

As you know, the Rec Center closed at 3:00 p.m. yesterday per Governor Whitmer's orders and will not reopen until March 31. I am sure many of you are wondering about what will happen with your membership dates and about classes or events that were happening in March. Here we go:

- All **ACTIVE** FCRA memberships will be extended for the number of days we are closed. So, for example, if we are closed for 14 days your current, **ACTIVE** membership will be extended 14 days. If your membership monthly expiration date happened before our closing, I will not extend dates.
- The two remaining classes for our current Kids' Swim Lessons will be on Saturday, April 18 and Saturday, April 25 at the normal times.
- Master Ferrier's Tae Kwon Do—Session 3 classes will start after the Rec Center reopens and dates will be adjusted accordingly.
- The Senior Aerobics class that runs on Mondays/Wednesdays/Fridays will be extended accordingly.
- The Senior Water Swim Club dates will be extended accordingly.
- The evening exercise classes with Rachel Doremus that were to start last evening will start after we reopen (assuming I get enough people to run the classes).
- The Life/Work Balance workshop with Life Coach Trisha Somers will be reschedule for another date TBD.
- The March 23 Little League registration that was to be in our South Commons is canceled and may or may not be rescheduled. (I'm not sure what the organizers what to do.)
- Assuming that the Rec Center reopens on March 31, **WE WILL BE HAVING EGG SPLASH ON SATURDAY, APRIL 4. REGISTER YOUR CHILD EARLY SO YOU CAN SAVE SOME MONEY!**

While the Rec Center is closed our staff, my husband, John, and I will be doing a deep cleaning of the building and getting the Rec Center ready to move into the spring and summer months.

The FCRA Board and I are as anxious as you to reopen and I am looking forward to seeing all of you soon. I will post on our Facebook page and our website as needed to keep you up-to-date as to when we'll reopen and about upcoming programs/events. If you have questions, please call the Rec Center at 231.924.3750 and I'll do my best to answer them.

D. Finch
